

Decent & Safe Homes (DASH) wins finalist commendation for buy to let industry Oscar.

DASH has received a finalists commendation for **the Public Service Winner** national landlord and buy-to-let award.

The Landlord and Buy-to-Let awards are the premier nationwide private rented sector awards in the UK. Certificates were presented by TV presenter and landlord campaigner Konnie Huq at a glamorous awards ceremony at the National Exhibition Centre, Birmingham, last week.

Tony Briggs, DASH Project Manager said: "We are delighted to have been commended as a finalist for this award. It really is a testament to the professionalism, hard work and commitment of everyone at DASH. Companies from across the UK entered these awards so to walk away with this accolade for our category was a fantastic achievement".

Oliver Romain, head Awards judge and editor of Landlord and Buy to Let magazine, the leading magazine for the residential letting sector, said: "We had a terrific response and DASH has done brilliantly to receive a finalist commendation. We send our congratulations to the team and look forward to receiving their Awards entry in 2010."
